

Schedule of Fees Condition Monitoring

Pumps:

- **Level #1:** Pump Efficiency Testing: • \$225.00 per pump
- **Level #2:** Pump Testing & Motor Test: • \$275.00 per pump
- **Level # 3:** Pump Testing, Infrared Imaging of just the panel or connection box & Motor Test: • \$400.00 per pump
- **Level # 4:** Pump Testing, Infrared Imaging of panel & bearings plus Vibration Analysis of bearings & Motor Test: • \$550.00 per pump
- **Level # 5:** Pump Testing & Infrared Imaging of panel & bearings, Vibration Analysis of bearings plus Ultrasonic Scanning of panel and bearings: • \$600.00 per pump
- **Level # 6:** Pump Testing & Infrared Imaging of panel & bearings, Vibration Analysis of bearings, Ultrasonic Scanning of panel and bearings plus Motor Test: • \$650.00 per pump

Motor & Panels:

- Infrared Imaging of panels: • \$200.00 per hour or \$1200.00 per day
- Data Loggers on motors • \$200.00 per motor
- Ultrasonic Scanning of panels and motors: • \$200.00 per hour or \$1200.00 per day
- Motor Testing: • \$125.00 per motor
- Vibration Analysis of bearings: • \$50.00 per bearing
- Vibration Analysis and Infrared Imaging of bearings: • \$100.00 per bearing
